# Group Working Session 1

- In your groups, please follow the (adapted) Creative Solving Activity on jamboard:
  - Discuss what you have learned from the keynote
  - How can what you have learned be applied to your class or department in the fall?
  - Start brainstorming! Brainstorm activities, programs, etc that you would like to try in the fall
  - Vote on your favorite idea and discuss its implementation strategy, assessment, resources needed, etc.

  Follow the provided template and see how far you get! We will continue the discussion next week
